WHAT OUR CLIENTS SAY ABOUT US

“We have worked with Ambitious for a long time now and can honestly say **the level of recruitment provided is second to none**. All candidates that are put forward are an excellent fit for not only the role but also for our company culture. Dealing with Matthew and Ryan is a pleasure, such a personal service which I would recommend to any company looking to grow their teams.”

Emma, Operations Manager – Property Investment Group

“Like many professionals, I have previously found the stereotype of recruitment consultants generally true. I had grown tired of speaking to recruiters who listened to our vision for the company and requirements for new hires and then presented totally unsuitable candidates. This was until I came across Sarah at The Ambitious Group through a friend’s recommendation and found her a revelation. Not only is she hardworking, honest and conscientious, **her background as an ex-conveyancer enables her to speak with confidence** to and about candidates and their suitability for the roles. Sarah is an absolute delight to work with and a hidden gem. We thoroughly enjoy working with her team and have found them to be a hugely valued partner to our law firm.”

Simon, Operations Manager – Conveyancing Law Firm
